O R D E R

Kenton County Water District No. 1 ("Kenton District") has applied for Commission approval to adjust its rates for service rendered on and after May 1, 1994. It has further applied for authority to issue parity revenue bonds in the approximate principal amount of \$7,315,000.

After reviewing the application, the Commission finds that further proceedings are necessary to determine the reasonableness of the proposed rates and that such proceedings cannot be completed prior to May 1, 1993. It further finds that good cause exists to continue generally Kenton District's application for authority to issue parity bonds.

IT IS THEREFORE ORDERED that:

1. The rates proposed in Kenton District's application are suspended for the period through and including September 30, 1994.

2. That portion of Kenton District's application which requests authority to issue parity revenue bonds is continued generally.

3. The procedural schedule listed in Appendix A, which is attached hereto and incorporated herein, shall be followed.

4. All requests for information and responses thereto shall be appropriately indexed. All responses shall include the name of the witness who will be responsible for responding to the questions related to the information provided, with copies to all parties of record and 10 copies to the Commission.

5. Kenton District shall give notice of the hearing in accordance with the provisions set out in 807 KAR 5:011, Section 8(5). At the time publication is requested, it shall forward a duplicate of the notice and request to the Commission.

6. Motions for extensions of time with respect to the schedule herein shall be made in writing and will be granted only upon a showing of compelling reasons.

7. Nothing contained herein shall prevent the Commission from entering further Orders in this matter.

Done at Frankfort, Kentucky, this 28th day of April, 1994.
